Members qualify for 4 levels of compensation upon selling 1 Vipiam Gateway. Their Network must contain 1 personally sold, active Vipiam Device at all times to qualify. A Member is active when their membership fee is current and their Connection Device is verified for call termination. Members are required to be personally active in order to qualify for any form of compensation from the Vipiam Termination Matrix.

The table below describes the requirements to achieve the various rankings and levels of compensation.

Please note, there are two ways to get promoted:

1. The Star* method promotes you one rank every time you have three personally referred members in your network that have reached the same rank as you. Bonus promotions move you up one rank for every three Memberships that you personally sell up to the maximum rank of EVP.
2. Bonus promotions move you up one rank for every three Memberships that you personally sell up to the maximum rank of EVP.
